August 2008

Dear Grocery Retailer:

gThankYou, LLC is looking forward to another successful holiday season with our retail partners. Thank you for your cooperation and support last year during the very successful introduction of gThankYou™ Gift Certificates. We hope gThankYou Certificates had a positive impact on your sales of holiday turkeys. Building on that success, we have launched gThankYou Ham Gift Certificates this season. Ham Gift Certificates are the #1 new product request from our customers.

gThankYou Certificates are a manufacturer coupon and should be handled by your company the same way you handle any other manufacturer coupon. You should process them through your coupon clearinghouse just like any other manufacturer coupon. It is necessary that cashiers write the dollar value of the turkey or ham selected by the consumer on the back of each coupon. gThankYou Certificates may be redeemed for any brand whole turkey or any brand of whole or half ham, as described on each coupon.

Many of these coupons may be redeemed in your stores and we expect this will help increase your holiday traffic and profits. Please instruct store managers and checkout staff to accept them. Suggested Cashier Instructions, facsimiles of gThankYou coupons, a copy of this letter and more information are available on our website, www.gThankYou.com

We sell gThankYou Gift Certificates to companies and consumers nation-wide. We guarantee prompt reimbursement to you for our Certificate/Coupons redeemed in your stores. gThankYou redemptions are managed by CMS, Inc., a prominent national coupon clearinghouse.

To help avoid fraud the certificates are printed in color on both sides on safety paper and are individually numbered. They are dollar bill size and have scannable barcodes to facilitate processing. A VOIDED copy of our coupons is on the next page. A number of security features are incorporated into the coupons. If you are concerned you may have a fraudulent coupon, please call gThankYou (888-484-1658) and we will assist you with verification.

If you have any questions or concerns please contact us at 888-484-1658 or by email at info@gThankYou.com. Thank you for your cooperation!

Sincerely,

Rick
