October 2009

Dear Grocery Retailer:

gThankYou, LLC is looking forward to continued success with our retail partners. Thank you for your cooperation and support during the past two years successful launch of gThankYou® Gift Certificates. We hope gThankYou Certificates have a positive impact on your sales. Building on that success of our Turkey Gift Certificates, we have launched gThankYou Ham Gift Certificates and gThankYou Grocery Gift Certificates.

gThankYou Certificates are a Manufacturer Coupon and should be handled by your company the same way you handle any other Manufacturer Coupon; just process them through your coupon clearinghouse. It is necessary that cashiers write the dollar value of the turkey, ham or groceries selected by the consumer on the back of each coupon.

Many of these coupons may be redeemed in your stores and we expect this will help increase your traffic and profits, particularly during the Holiday Season. Please instruct store managers and checkout staff to accept them. Suggested Cashier Instructions, facsimiles of gThankYou coupons, a copy of this letter and more information are available on our website, www.gThankYou.com

We sell gThankYou Gift Certificates to companies and consumers nation-wide. We guarantee prompt reimbursement to you for our Certificate/Coupons redeemed in your stores. gThankYou redemptions are managed by CMS, Inc., a prominent national coupon clearinghouse.

To help avoid fraud the certificates are printed in color on both sides on safety paper and are individually numbered. They are dollar bill size and have scanable barcodes to facilitate processing. A VOIDED copy of our coupons is on our website, www.gThankYou.com, and the security features of coupons are listed there, too. If you are concerned you have received a fraudulent coupon, please call gThankYou (888-484-1658) and we will assist you with verification.

If you have any questions or concerns please contact us at 888-484-1658 or by email at info@gThankYou.com. Thank you for your cooperation!

Sincerely,

Rick

Rick Kiley, President
